

**COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION**

**In the Matter of:
ELECTRONIC APPLICATION OF
MARTIN COUNTY WATER DISTRICT
FOR AN ALTERNATIVE RATE
ADJUSTMENT**

Case No. 2021-00154

**MARTIN COUNTY CONCERNED CITIZENS, INC.’s MOTION FOR
CONTINUANCE**

Comes the Martin County Concerned Citizens, Inc. (“MCCC”), by and through counsel, and moves the Commission for a Continuance to postpone the hearing date of August 30-31, 2021 at 9 a.m. MCCC respectfully requests that the two-day hearing be rescheduled for some other dates in September. In support of this motion, MCCC states the following:

1. MCCC is working with Roger Colton, a national expert in utility affordability. Mr. Colton has prepared an affordability analysis and recommendations related to this rate case. MCCC intends to present that report, along with its objection to the staff report, on or before August 26. MCCC intends to call Mr. Colton as a witness at the upcoming hearing.

2. Mr. Colton is unavailable on August 30-31 because he will be attending a meeting in Toledo, Ohio on those days. He is also unavailable from September 27 to October 1 because of prior commitments involving another case.

MCCC respectfully requests a short continuance so that it may present Mr. Colton’s testimony at the coming hearing and requests an appropriate Order of the Commission consistent with this Motion.

Respectfully Submitted,

/s/ Mary Varson Cromer
