In the Matter of:

DELTA NATURAL GAS COMPANY, INC.
MOTION FOR DEVIATION FROM NOTICE REQUIREMENTS

Pursuant to 807 KAR 5:001, Section 22 and 807 KAR 5:011, Section 15, Delta Natural Gas Company, Inc. (“Delta” or the “Company”) hereby moves the Kentucky Public Service Commission (“Commission”) for a deviation from notice requirements contained in 807 KAR 5:001, Section 17 and 807 KAR 5:011, Section 8.

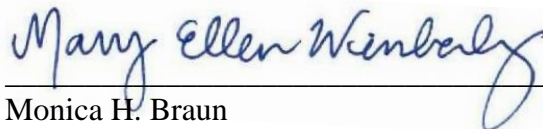

On May 28, 2021, Delta filed its Application for an Adjustment of Rates and a Certificate of Public Convenience and Necessity with the Commission. As part of this Application, Delta provided at Tab 6 a copy of its customer notice and listed the newspapers that would run the notice for three consecutive weeks beginning May 24, 2021.

On June 3, 2021, Delta received a deficiency for elements of the customer notice. In an informal conference with Commission Staff on June 4, 2021, Delta explained that republishing the notice in newspapers would be very costly. Given the significant cost associated with republishing newspaper notice, the fact the rates in the original notice were correct, and the changes in the revised notice were only textual, good cause exists for a deviation from the notice regulations. On June 4, 2021, Delta published the revised customer notice on Delta’s website, posted the revised

notice in its offices,¹ and filed the revised notice with the Commission in the record of this proceeding. Pursuant to 807 KAR 5:001, Section 22 and 807 KAR 5:011, Section 15, Delta hereby moves the Commission for a deviation from 807 KAR 5:001, Section 17 and 807 KAR 5:011, Section 8 to permit the publication of the revised notice by the methods described in this Motion.
