RE: Case No. 2021-00205
Buffalo Trail Water Association, Inc (Buffalo Trail Water)

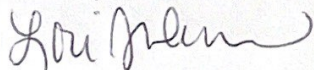

Dear Ms. Bridwell:

Buffalo Trail Water Association, Inc. (Buffalo Trail Water) submits the following comments concerning the Commission Staff Report dated September 10, 2021:

1. Although Buffalo Trail Water does not agree with the Staff's removal of certain labor expenses from nonrecurring charges, Buffalo Trail Water does not wish to contest that adjustment in this case. Buffalo Trail Water's failure to object to Staff's findings and recommendations concerning the reduction of certain Non-Recurring Charges shall not be construed to be a waiver of Buffalo Trail Water's right to contest a similar finding or recommendation in a future rate proceeding. Buffalo Trail Water expressly reserves its right to do so.
2. Buffalo Trail Water concurs with the findings presented in the Staff Report regarding water rates and requests that the Commission approve the rates shown in the Appendix of the report as soon as possible.
3. Buffalo Trail Water waives its right to request an informal conference or hearing in this case.

If you need any additional information from Buffalo Trail Water to expedite implementation of the new rates, please contact our office.

Sincerely,
