Re: Case No. 2021-00206

Dear Ms. Bridwell

Pursuant to the Commission's Order of July 8, 2021 in the above-referenced matter, enclosed for filing is Morgan County Water District's letter and invoice. This letter and the enclosed invoice are true and accurate copies in paper medium of the electronic version of the documents uploaded to the Public Service Commission's Electronic Filing System this day.

Summary of work: Morgan County Water District would like to dismiss the invoice from Keetech in the amount of \$42,620. After meeting again with KY Transportation Department, we determined that the water damage was from a natural spring and not a leaking pipe.

In accordance with 807 KAR 5:001, Section 8, I certify that Morgan County Water District's September 22, 2022 electronic filing of this Report is a true and accurate copy of the same document being filed in paper medium; that the electronic filing was transmitted to the Commission on September 22, 2022 by electronic means in this proceeding.

Sincerely,

A handwritten signature in blue ink, appearing to read "Shannon W. Elam".
