Re: Case No. 2021-00206

Dear Ms. Bridwell

Pursuant to the Commission's Order of July 8, 2021 in the above-referenced matter, enclosed for filing is Morgan County Water District's letter and invoice. This letter and the enclosed invoice are true and accurate copies in paper medium of the electronic version of the documents uploaded to the Public Service Commission's Electronic Filing System this day.

Summary of work: We are installing 10 more zone meter pits in our system to help with our water loss plan. These zone meter pits will help in insulating leaks to certain zones in our system.

In accordance with 807 KAR 5:001, Section 8, I certify that Morgan County Water District's January 20, 2023 electronic filing of this Report is a true and accurate copy of the same document being filed in paper medium; that the electronic filing was transmitted to the Commission on January 20, 2023 by electronic means in this proceeding.

Sincerely,

A handwritten signature in blue ink that reads "Shannon W. Elam". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
