**Caldwell County Water District
Case No. 2021-00217
Commission Staff's First Request for Information**

1. Refer to the Application, paragraphs 5 and 6.
 - a. Provide the date that Caldwell District contacted Kentucky Rural Water Association (KRWA) to request assistance with performing a cost of service study upon which to base a rate adjustment case.
 - b. Provide any documentation that Caldwell District contacted KRWA including but not limited to any emails or letters from Caldwell District to KRWS and any documentation from KRWA to Caldwell District regarding the estimate that KRWA could provide assistance during the third quarter of 2021.

Response:

a-b. On April 26, 2021, Caldwell District, by and through its Chief Executive Officer, Jimmy Littlefield, contacted Andy Lange, Assistant Director, Kentucky Rural Water Association (KRWA), by email inquiring whether KRWA could perform a rate study to support the filing of a rate adjustment case. Mr. Lange responded by stating that KRWA's rate consultant, Mr. Alan Vilines, was "swamped right now with PSC-ordered cases". The email exchange between Mr. Littlefield and Mr. Lange is attached to this response. Following this email exchange, Mr. Vilines called Mr. Littlefield to advise that he had Caldwell District on his list and that he could perform a rate study before the end of 2021.

Jimmy,

I will have Alan Vilines contact you to talk about how many hours he will need to do it and the timing of the case. He is swamped right now with PSC-ordered cases! He can also advise you on asking for an extension from PSC.

Thanks,

Hello Andy, Hope you are well. Can KRWA do a rate study for us. PSC ordered us to submit a study by June 15, 2021. I know we will have to ask for an extension. Thank you.
