RE: Proposed Purchase Water Adjustment

To Whom It May Concern:

Our supplier, The Louisville Water Company (LWC), has informed the District that there will be an increase in their wholesale water rates, which will become effective July 1, 2021.

The West Shelby Water District respectfully requests that the Public Service Commission allow us to make an adjustment to our rates in accordance with 807 KAR 5:068, Purchased Water Adjustments for Water Districts. West Shelby's Commission has agreed to this rate adjustment at the regularly scheduled monthly meeting held on Thursday, April 15th, 2021. The Minutes can be found in this filing as Exhibit H. West Shelby would like this rate increase to become effective July 15, 2021.

The following documents are enclosed:

Exhibit A:	PWA – Form 1
Exhibit B:	Supplier's Notice of Changed Rate
Exhibit C:	Statement of Water Purchases
Exhibit D:	Statement of Water Sold
Exhibit E:	Purchased Water Adjustment Calculations
Exhibit F:	Current and Proposed Rates
Exhibit H:	Minutes approving PWA
