Re: Delta Natural Gas Company, Inc./Peoples Gas KY LLC
Case No. 2021-00247

Dear Ms. Bridwell:

Enclosed for filing on behalf of Delta Natural Gas Company, Inc ("Delta") is the Gas Cost Recovery (GCR) filing for the calendar quarter ended April 30, 2021, for rates proposed to become effective August 1, 2021. Also included are Second Revised Sheet No. 6.1 and Second Revised Sheet No. 14.2, to Delta Natural Gas Company, Inc. PSC Kentucky No. 12 Tariff, which are being filed pursuant to the Purchased Gas Adjustment Provision of that Tariff.

This filing proposes a GCR rate of \$4.2604 per Mcf of sales, an increase of \$0.8658 per Mcf from the current PGA, which was approved in Case No. 2021-00134 effective May 1, 2021.

For the purposes of forecasting its Expected Gas Cost (EGC), Delta is assuming purchases based on the Appalachian Index price of gas for Columbia Transmission. This price is developed by averaging the estimated cost of gas over 3 months beginning August 2021.

Schedule 1 of the filing is a summary of the proposed PGA rate components. Schedule 2 is a summary of the expected gas costs based on purchases for the 12 months ended April 2021. Schedule 3 is a listing by month of Delta's sales to its customer's for the 12 months ended April 2021. Schedules 4 and 5 are summaries of ACA components.

Sincerely,

John B. Brown
