RE: Case No. 2021-00286  
North Logan Water District #1

Dear Ms. Bridwell:

The North Logan Water District #1 (the District) submits the following comments concerning the Commission Staff Report dated October 21, 2021:

1. Although the District does not agree with the Staff's removal of certain labor expenses from nonrecurring charges, the District does not wish to contest that adjustment in this case. The District's failure to object to Staff's findings and recommendations concerning the reduction of certain Non-Recurring Charges shall not be construed to be a waiver of the District's right to contest a similar finding or recommendation in a future rate proceeding. The District expressly reserves its right to do so.
2. The District concurs with the findings presented in the Staff Report regarding water rates and requests that the Commission approve the rates shown in the Appendix to the report as soon as possible.
3. The District waives its right to request an informal conference or hearing in this case.

If you need any additional information from the District to expedite implementation of the new rates, please contact our office.

Sincerely,

Stewart C. Smotherman  
Chairman
