Re: *In the Matter of: Electronic Tariff Filing of Big Rivers Electric Corporation and Kenergy Corp. to Implement a New Standby Service Tariff - Case No. 2021-00289*

**Notice in Response to the Public Service Commission's
November 5, 2021, Order**

Dear Ms. Bridwell:

Big Rivers Electric Corporation ("*Big Rivers*") is electronically filing this letter, which constitutes the Read1st file required by 807 KAR 5:001 Section 8(5).

In its Order dated November 5, 2021 in the above-referenced matter, the Kentucky Public Service Commission (the "*Commission*") required Big Rivers to file a notice informing the Commission whether Big Rivers "will file written rebuttal testimony and agree to delay placing the proposed tariff into effect for 45 days past the end of the suspension period, or whether it prefers to offer oral rebuttal at a formal hearing of all issues to be held on December 1, 2021."

In response to the November 5, 2021, Order, Big Rivers elects to file written rebuttal testimony. Further, per the Commission's July 30, 2021, Order in this matter, the suspension period goes through December 31, 2021. Because Big Rivers prefers that the proposed Large Industrial Customer Standby Service tariff go into effect on the first day of a calendar month, Big Rivers agrees that it will not place the proposed tariff into effect until at least March 1, 2022, which is approximately 60 days past the end of the suspension period.
