MOTION FOR EXTENSION OF TIME

Pursuant 807 KAR 5:001, Section 5(1), McCreary County Water District (“McCreary District” or “the District”) moves for an additional seven (7) days in which to response to Commission Staff’s Second Request for Information in the above-referenced matters. In support of its motion, McCreary District states:

1. Due to unforeseen events McCreary District is unable to compile all of the requested information within the allotted time. The principal McCreary District staff member working on the request has been unavailable since the last week of December due to the sudden hospitalization of her spouse for heart surgery. Legal counsel was prevented from working on the request during the last week of December due to unforeseen flight cancellations and delays that delayed for several days his return from the Pacific Northwest after visiting his daughter for the Christmas holiday.

2. The requested extension will enable that McCreary District to fully respond to Commission Staff’s requests.

3. McCreary District acknowledges that, should the Commission grant this motion, it is waiving its right to place its proposed rates into effect subject to refund if the Commission does not render a final decision on the proposed rates for water and sewer service by March 26, 2022.

4. The requested extension is made in good faith and not for purposes of delay.

Dated: January 3, 2022

Respectfully submitted,
