(f) There is no action, suit, proceeding or investigation before or by any court or public body wherein an unfavorable decision would materially and adversely affect the transactions contemplated by this Lease.

(i) The lessee is subject to the jurisdiction of the State Public Service Commission and has secured approval from the Public Service Commission to proceed with the acquisition and installation of the Facilities and the financing as set forth in this Lease, as set forth in an Order, dated December 6, 2021, in Case No. 2021-303.

(j) The Lessee shall at all times do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest portion of the Lease Rental Payments paid by the Lessee with respect to this Lease, shall be excludable from the gross income of the Lessor for Federal income tax purposes under any valid provision of the Code.

(k) The Lessee shall not permit at any time or times any of the proceeds of this Lease to be used directly or indirectly to acquire any securities or obligations the acquisition of which would cause such Leases to be "Arbitrage Bonds" as defined in Section 148 of the Code, as then in effect.

(l) Proceeds from the Lease will be used to finance the Project. Proceeds from the Prior Debt were used to refinance (i) the Lessee's Water System Revenue Bonds, Series 1992A, in the original principal amount of \$500,000 (the "Series 1992A Bonds"), (2) the Lessee's Water System Revenue Bonds, Series 1993, in the original principal amount of \$235,000 (the "Series 1993 Bonds"), and (3) the Lessee's Water System Revenue Bonds, Series 2000, in the original principal amount of \$500,000 (the "Series 2000 Bonds").

Further, in compliance with requirements set forth in the Resolution, the Lessee hereby certifies that on the basis of the facts, estimates, and circumstances in existence as of the date of the issuance of this Lease, it is not expected that the proceeds from this Lease will be used in a manner which would cause the obligations evidenced by this Lease to be "Arbitrage Bonds" under the Code.

(a) It is a national banking association duly created and validly existing under the laws of the United States of America authorized to do business in the Commonwealth of Kentucky, has all necessary power and authority to perform its obligations under this Lease and has duly authorized the execution and delivery of this Lease.

Lessee shall make payments on the amounts due hereunder as provided in Section 8.

Section 6. Lease Term. Subject to the early termination provisions set forth in Section 21 the Lease Term will commence on the Effective Date and terminate on the Maturity Date.

Section 7. Enjoyment. The Lessor hereby covenants that the Lessee will during the Lease Term peaceably and quietly have and hold and enjoy the Facility without hindrance from the Lessor, except as expressly required or permitted by this Lease. (f) The interest component of the Lease Rental Payments will be calculated on a 365/360 day actuarial basis.

Section 9. Manner of Payment. Unless otherwise agreed by both the Lessee and Lessor, all Lease Rental Payments may be paid by check made payable and delivered to the Lessor, by wire transfer, or electronic transfers from an account established by the Lessee and maintained by the Lessor. The obligation of the Lessee to pay the Lease Rental Payments and to perform and observe the covenants and conditions contained herein during the Lease Term will be absolute and unconditional except as otherwise expressly provided in this Lease and payment of the Lease Rental Payments may not be abated through accident or unforeseen circumstances or damage to or destruction of the Facilities. Lessee will not assert any right of set-off or counterclaim against its obligation to make such payments required hereunder. No action or inaction on the part of the Lessor (or any of its assigns) will affect the Lessee's obligation to pay all Lease Rental Payment during the Lease Term.

Section 10. Expression of Lessee's Need for the Facilities; Determination as to Useful Life. The Lessee hereby declares its current need for the Facilities and further determines and declares its expectations that the Facilities will (so long as it is subject to the terms hereof) adequately serve the public needs for which it is being used throughout the Lease Term. The

Lessee hereby determines and declares that, to the best of its knowledge, the term of this Lease does not exceed the useful life of the Facilities.

Section 11. General Obligation of Lessee; Special Fund; Pledge; and Rate Covenant.

(a) The obligation of the Lessee created by this Lease shall be a full general obligation of the Lessee to which the District Revenues are hereby pledged for the prompt payment of the Lease Rental Payments due hereunder.

(b) In accordance with KRS 74.600(2), as set forth in the Resolution, and upon execution of this Lease, the Lessee shall establish a "Special Fund", with the Lessor (which shall constitute a sinking fund for the Lease Rental Payments) and shall set aside and deposit into the Special Fund, the District Revenues, sufficient in amount to make the Lease Rental Payments due hereunder.

(c) The Special Fund is hereby irrevocably pledged to the payment of the Lease Rental Payments when and as the same fall due. The amount of District Revenues to be set aside and applied to the payment of the Lease Rental Payments shall be equal to the amounts set forth in Exhibit "A", attached hereto, plus any Additional Rentals. The balance of District Revenues shall be for the District's operations.

(d) The District further covenants and agrees, that as long as any amounts remain due under this Lease, that the rates to be charged for the service from the District shall be sufficient to provide for the payment of the Lease Rental Payments. (b) Casualty and liability insurance may be provided under blanket or similar coverage insuring other facilities and equipment of the Lessee. Such insurance may be a combination of self-insurance and an excess liability policy.

(c) The proceeds of any casualty and liability insurance or appropriation awards, to the extent they are not promptly used or encumbered for the purposes stated in Section 14 hereof, shall be paid to the Lessor for deposit in the Special Fund or such other fund established by the Lessee and authorized by the Resolution.

Section 14. Risk of Loss; Damage; Destruction. Lessee assumes all risk of loss or damage to the Facilities from any cause whatsoever. No loss of or damage to, or appropriation by governmental authorities of, or defect in or unfitness or obsolescence of, the Facilities will relieve Lessee of its obligations under this Lease. Lessee will promptly repair or replace any portions of the Facilities destroyed, damaged, or appropriated which are necessary to maintain the Facilities in sound operating condition so that at all times during the Lease Term the Facilities will be able to carry out its intended functions.

The net proceeds of any insurance policies, performance certificates, condemnation awards or net proceeds received as a consequence of default or breach of warranty under a contract relating to the Facilities will be deposited in the Special Fund or such other fund established by the Lessee and authorized by the Resolution, if received before the completion or repair of the Facilities and will be applied in the same manner described in Section 13. The balance remaining after renovation, repair, restoration, modification, or improvement of the Facilities has been completed will be applied to satisfy payment of Lease Rental Payments.

Section 18. Maintenance of the Facilities by the Lessee. The Lessee agrees that, at all times during the Lease Term, the Lessee will maintain, preserve and keep the Facilities or cause

the Facilities to be maintained, preserved and kept in good repair, working order and condition, ordinary wear and tear excepted, and that the Lessee will from time to time promptly make or cause to be made all necessary and proper repairs, except as otherwise provided herein. The Lessor will not have any responsibility in any of these matters or for the making of any additions, modifications, improvements, or replacements to the Facilities.

Section 19. Assignment by Lessor. As the source of payment of the Lease, the Lessor has been assigned all of the Lessee's right, title and interest in, to and under this Lease, including but not limited to the right to receive the Lease Rental Payments and other amounts due hereunder. The Lessee acknowledges and agrees that this assignment will entitle the Lessor to enforce any obligation of the Lessee hereunder and to exercise any remedy or right of the Lessor hereunder.

Section 20. Assignment and Subleasing by the Lessee.

This Lease may not be assigned by the Lessee for any reason. The Facilities may be subleased by the Lessee, as a whole or in part, but only with the prior written consent of the Lessor.

The Taxable Rate shall be the rate of the interest component of the Lease Rental Payments as agreed to by the Lessor and the Lessee at the time the Determination of Taxability is initially made not to exceed 3.00% per annum, whichever rate is less. In addition, the Lessee will pay an amount equal to the difference between the interest component of the Lease Rental Payment which was actually paid, at 2.14%, and the interest component of the Lease Rental Payment which would have been paid if such rate was the Taxable Rate from the Date of Original Issue, plus any penalties, interest, assessments, and additions payable by the Lessor as a result of the loss of the tax-exempt status of the interest rate component on the Lease Rental Payment.

Section 22. Release and Indemnification. To the extent ;permitted by law, the Lessee will and hereby agrees to indemnify and save the Lessor harmless against and from any or all
