Comes now Hardin Solar LLC (“Hardin Solar”), by counsel, pursuant to KRS 278.700, *et seq.*, and 807 KAR 5:110, *et seq.*, and does hereby tender its Withdrawal of Notice of Intent and Amended and Restated Notice of Intent to file an application, on or before February 28, 2022, for a certificate to construct an approximately 85-megawatt (“MW”) merchant solar electric generating facility in Hardin County, Kentucky (the “Hardin Solar Project”), respectfully stating as follows:

1. On July 29, 2021 Hardin Solar filed an initial Notice of Election to Use Electronic Filing Procedures related to the planned filing of an application for a construction certificate with the Kentucky Board for Electric Generation and Transmission Siting (“Siting Board”) to be filed no later than January 15, 2022. This filing resulted in the assignment of Case No. 2021-00312.
2. On July 30, 2021, Hardin Solar filed a more formal Notice of Intent, pursuant to 807 KAR 5:110, Section 2, also stating that the application for construction certificate would be

filed no later than January 15, 2022. This notice was supplemented by letter dated December 20, 2021, which served to amend and restate the original Notice of Intent to provide that the application for construction certificate would be filed no later than February 28, 2022.

3. Hardin Solar has determined that it is currently infeasible to file the referenced application and hereby provides notice to the Siting Board of its desire and intention to withdraw the original Notice of Intent and the Amended and Restated Notice of Intent.

4. It is Hardin Solar's intent to file a new Notice of Intent to file an application for a construction certificate at a later date when the Hardin Solar Project is ready to proceed.

Done this 28<sup>th</sup> day of February, 2022.

Respectfully submitted,
