Re: *In the Matter of: Electronic Application of Big Rivers Electric Corporation For A Certificate Of Public Convenience and Necessity Authorizing Construction of a New Headquarters Facility and an Order Authorizing Big Rivers To Sell Its Existing Headquarters Facility - Case No. 2021-00314*

Dear Ms. Bridwell:

In compliance with Ordering Paragraphs No. 4 and No. 5 of the Public Service Commission's December 7, 2021, Order in this matter directing Big Rivers Electric Corporation ("Big Rivers") to file "as built" drawings; a certified statement that the construction has been satisfactorily completed in accordance with the contract plans and specifications; and documentation of the total costs of the construction authorized by the Order, Big Rivers submits the below statement related to total construction costs and the attached copy of "as built" drawings for the construction, as well as a Certificate of Completion.

Final invoices are still being received and the total cost of the project is forecasted to be \$17,882,174.16. Construction costs associated with this project will be classified into the following transmission plant account in accordance with the Uniform System for Accounts for electric utilities:
