Motion for Extension of Time

North Marshall Water District ("North Marshall District"), by Counsel, hereby files its Motion for an Extension of Time to file its Response to Commission Staff's First Request for Information dated September 17, 2021 issued in this Case.

North Marshall District requests that the Commission grant an extension of time from the filing date of October 22, 2021 in order to allow North Marshall District's staff sufficient time to prepare and compile the requested Excel spreadsheets, trial balance reports, general ledgers, billing analysis, water loss reduction description and meter replacement plan. North Marshall District's staff has been diligently preparing the requested data and reports, however due to the volume of the items in the Request, North Marshall District asks that the Commission extend the required filing date to November 5, 2021 in order to complete said data and reports.

Respectfully Submitted:
