NOTICE OF FILING

Kentucky Broadband and Cable Association (“KBCA”), by counsel, provides notice that it is filing a supplement to Exhibit 3 of its Responses to the Commission Staff’s Request for Information. This supplement contains commercially available data from Ookla, a provider that offers user-initiated speed testing, showing the median and top 10% of speeds measured for Charter services in Union County, which was omitted from the original filing. This supplement is being filed in conjunction with a Petition for Confidential Treatment.
