RE: Case No. 2021-00369

Christian County Water District
Response to Second Request for Information and Update to Rate Application

Dear Ms. Bridwell:

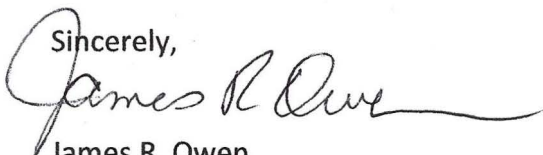

Enclosed for filing in the referenced case is Christian County Water District's responses to the Commission staff's second Request for Information. Also enclosed are updates related to the recent debt refinancing transaction.

The original Alternative Rate Adjustment application was filed on September 18, 2021. Subsequent to that filing and in accordance with Case No. 2021-00322, Christian County Water District refinanced its outstanding Series 2012C Bonds with new Series 2021D Bonds resulting in debt service savings and lower future required revenues. The rate study has been updated to reflect the effect of the new debt service schedule. Consequently, the following schedules have been added or updated:

1. Debt Agreement Series 2021D
2. Amortization Schedule Series 2021D
3. Debt Service Schedule
4. Schedule of Adjusted Operations
5. Current and Proposed Rates
6. Current and Proposed Bills
7. Proposed Billing Analysis

The Attorney General's Office of Rate Intervention has also been provided a copy of this revised application by electronic mail.

Sincerely,

James R. Owen
General Manager
