Re: Employee # 000043

Congratulations, Christian County Water District (CCWD) would like to extend to you a full time employment opportunity. As a fulltime employee you will be afforded all the opportunities as defined in the Employee Guidelines Manual for fulltime employees. As previously discussed your hourly pay will increase to \$12.75 per hour, with additional opportunities available after February 1st. This increase is effective with the payroll period which starts on January 15, 2022. Your full time employment will become effective February 1, 2022. Prior to February 1, please complete all necessary forms associated with the benefits which CCWD offers for full time employees.

I am honored to be extending this offer to you. I hope your extended employment is as successfully as your temporary employment has been, and this end up being a long term and meaningful employment opportunity.

Sincerely,

James Owen
Christian County Water District

I, H G accept the offer of fulltime employment with the Christian County Water District. I realize that I, or my employer, may terminate my employment at any time, for any reason. By signing below I acknowledge my acceptance of this offer.
