Re: Case No. 2021-00369

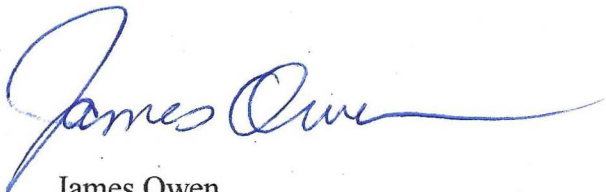

Dear Ms. Bridwell:

Christian County Water District has received the Commission Staff's First Request for Information and is working diligently to comply with the request by the stated deadline of November 12, 2021. However, at this juncture, we anticipate that we may not be able to gather and review the entirety of the five-year data in time to completely fulfill the requirements of the request. We anticipate that we will likely be able to provide complete responses for the test year of 2020 for all of the questions by November 12, 2021, but we anticipate that we will need an additional 21 days to gather the four years of information prior to 2020 that was requested in questions #14, #15, #16, #17, and #18.

May we be permitted an extension until December 3, 2021 to fully comply with the First Request for Information?

Please do not hesitate to contact me if you have any questions.

Sincerely,

James Owen  
General Manager
