RE: Case No. 2021-00369  
Christian County Water District  
Responses to Request for Information

Dear Ms. Bridwell:

Enclosed for filing in the referenced case is Christian County Water District's responses to the Commission staff's first Request for Information.

The responses provided today are incomplete but represent the best efforts of District staff to comply with the Commission's request. The District had previously notified the Commission staff on November 2, 2021 that it might not be able to fully comply with the request by the stated deadline and requested an extension for the remainder of the responses until December 3, 2021. The District still anticipates that it will likely be able to provide complete responses to the remaining questions by December 3, 2021.

The Attorney General's Office of Rate Intervention has also been provided a copy of these responses to the Request for Information by electronic mail.

Please do not hesitate to contact me if you have any questions.

Sincerely,

James R. Owen  
General Manager
