Wheeling Power Company and Appalachian Power Company on September 8, 2021 filed with the Public Service Commission of West Virginia their "Petition to Reopen Case and to Take Further Action" in Case No. 20-1040-E-CN. The petition requests the West Virginia Commission to provide certain confirmations, acknowledgements, and commitments regarding, *inter alia*, the Mitchell Generating Station, in light of the inconsistent orders of the Kentucky and West Virginia commissions regarding the proposed ELG work at the Mitchell Generating Station.
