CASE NO. 2021-00376

**STATEMENT REGARDING HEARING
AND REQUEST REGARDING DECISION TIMING**

In accordance with the Commission’s October 11, 2021 Order in this matter requiring Kentucky-American Water Company (“KAW”) to either request a hearing or state that this case may be submitted for a decision based on the existing record without a hearing no later than December 10, 2021, KAW hereby states that this case may be submitted for a decision based on the existing record without a hearing.

KAW also respectfully requests a decision in time that will allow KAW to implement the balancing adjustment revised rate by the proposed effective date of December 27, 2021. As explained in KAW’s cover letter to its September 22, 2021 initial filing in this matter, December 27, 2021 is consistent with KAW’s approved Tariff Sheet 49¹ which allows for the “trued up” rate to become effective 180 days after the end of a Qualified Infrastructure Program (“QIP”) year. QIP Year 1 ended on June 30, 2021. 180 days after that is December 27, 2021. KAW appreciates the Commission’s consideration of this request.

¹ The proposed rate revisions to Tariff Sheet 49 were submitted as Exhibit 3 to KAW’s September 22, 2021 filing.

Date: December 9, 2021

Respectfully submitted,
