**RESPONSE OF THE CITY OF CARLISLE, KENTUCKY  
TO MOTION FOR TIME**

Come now City of Carlisle, by counsel, (City), and for its Response to the Motion of Nicholas County Water District (NCWD) for an Extension of Time, states as follows:

The reasons given for the extension of time are good reasons, and regardless of the position of any party, the Information Requested is not likely to be provided whether the Motion is Granted or Denied. What is fixed is the date of the Hearing before the PSC, and if Carlisle is expected to make its case in full regarding the issues that brought us all here on that fixed date, such information is necessary for the City to so do..

Accordingly, Carlisle does not Object to more time for NCWD, but does Object to having to go forward on 8 FEB 2022 in the absence of receipt of such information and concomitant time to analyze and present evidence and an argument in a cogent and orderly manner. Carlisle makes no Motion to Continue but does not Object to such by a party or the PSC on its own motion.

Respectfully submitted,
