RE: Case No. 2021-00385
Alternative Rate Filing Application

Dear Ms. Bridwell:

Please find the completed Alternative Rate Filing application and all of the required attachments which were electronically filed. The filing is being submitted as ordered pursuant to ordering paragraph no. 16 of the Commission's Order dated April 8, 2020 issued in Case No. 2020-00079. The Commission approved a Motion for Extension of Time which extended the required filing date to October 8, 2021.

The Revenue Requirement Calculation-Debt Coverage Method indicates that there is no required rate increase at this time. Therefore, there was not a Notice of Proposed Rate Change published in the newspaper. Also, since there is no proposed change in rates the Attorney General's Office of Rate Intervention has not been provided a copy of this application.

If you have any questions or need any additional information, please let me know.

Sincerely,

Wanda Smith
