Thank you!! Look forward to working with you for any of your advertising needs.

At this moment, we have not heard any say they cannot publish. We have reached out to the papers around the flooded area and most had said they will help out with any needs they need.

Rachel,

Columbia would like to work with KY Press for publication of the Hearing Notice which will need to be printed in mid-September. Can you tell me if any of the newspapers listed below were impacted by the recent flooding and will be unable to print a paper? I see the names of Hindman and some other areas in Eastern Kentucky on the list.

Susie
Attached is an estimated quote for the 20 papers guessing at the size of the notice. If we take care of placement, we will need the notice sent in a word doc file so we can create the ad copy.
Let me know if you have any questions.
