**FOURTH RE-NOTICE OF APPLICANTS’ MOTION TO SUBMIT  
APPLICATION FOR CERTIFICATE OF PUBLIC CONVENIENCE AND  
NECESSITY FOR DECISION  
ON EXISTING EVIDENTIARY RECORD**

New Cingular Wireless PCS LLC d/b/a AT&T Mobility (“AT&T”) and Tillman Infrastructure LLC, a Delaware limited liability company (“Tillman”) (collectively, “Applicants”), by counsel, hereby file this Re-Notice of Applicants’ February 24, 2023, Motion requesting the Kentucky Public Service Commission (“PSC”) to immediately decide the pending Application for Certificate of Convenience and Necessity (“CPCN”) on the Existing Evidentiary Record (“Applicants’ February 24, 2023 Motion”). With due respect to the PSC, further delay in this long pending proceeding, filed October 18, 2021, is unwarranted and only serves to prevent AT&T from providing essential wireless service to this area of Grayson County. The FCC Shot

Clock for the proposed CPCN Application expired over a *year ago*. Intervention Proceedings pursuant to the PSC's August 18, 2022 Procedural Order have been closed since December 9, 2022. A Public Hearing was not requested pursuant to that Order and the CPCN Application has been ripe for decision since that date. Moreover, said Application has been pending for over 542 days. Such delay is clearly inconsistent with the "reasonable time" standard of the Federal Telecommunications Act of 1996. Applicants strongly urge the PSC to promptly move to issue a decision on the CPCN Application under the reasoning more completely discussed in Applicants' February 24, 2023 Motion.

Respectfully submitted,

*David A. Pike*
