**APPLICANTS' RESPONSES TO REQUESTS FOR INFORMATION
AFFIDAVIT OF ANNIE ZOCCO, TILLMAN INFRASTRUCTURE LLC**

Comes now the affiant, Annie Zocco, Senior Site Development Project Manager for Co-Applicant Tillman Infrastructure LLC, and after having been duly sworn and under oath states the following facts are true and accurate to the best of my knowledge, information, and belief formed after a reasonable inquiry. This filing is in response to a First Request for Information from the Kentucky Public Service Commission ("PSC") issued on July 28, 2023.

1. Question: Refer to Application, Exhibit B, PDF page 52, marked Page 1 of 3 in lower right-hand corner and Joint Applicants' Response to Nicolais' First Request for Information, Exhibit E.

1-a. Question: Reconcile the difference between the map and the survey location

of the cellular tower lease location.

Answer: Exhibit E attached to the Joint Applicants' Response to Nicolais' First Request for Information ("Exhibit E") was submitted as a general depiction of the distance between the proposed tower and the Nicolai residence with an approximate measurement referenced as "Nearly 600' from tower site to Nicolai residence" (emphasis added). To the extent that any information in Exhibit E conflicts with Exhibit B of the filed application (including Sheet 1 of 3), Exhibit B of the filed application should be considered more exact.

1-b. Question: Provide and depict on a map the accurate distance from the closest point on the cellular tower footprint to the Nicolai residence.

Answer: A survey signed and stamped by a surveyor licensed in Kentucky is attached as **Exhibit A**. The distance from the leg of the proposed cellular tower to the Nicolai residence is 594.3'. The distance from the edge of the proposed lease area to the Nicolai residence is 545.4'. The distance from the proposed fence surrounding the ground compound to the Nicolai residence is 566.5'.

1-c. Question: Provide and depict on a map the accurate distance from the center point of the cellular tower to the Nicolai residence.

Answer: A survey signed and stamped by a surveyor licensed in Kentucky is attached as **Exhibit A**. The distance from the center of the proposed cellular tower to the Nicolai residence is 599.2'.

2. Question: Reference Joint Applicants' Response to Nicolais' First Request for Information, Item 5. Provide a copy of each of the letters sent to property owners by site acquisition agents as referenced in paragraph four of the response.

Answer: My review of the records of Tillman Infrastructure LLC, and requested review by agents of Tillman Infrastructure LLC of their records, has not revealed copies of the mailed letters. Consistent with normal practice, I believe such letters would have been mailed by the agents in 2020. Such agents do not necessarily retain copies of such letters for years into the future. To the best of my information, knowledge and belief, copies of the mailed letters were not retained by applicable agents or by Tillman Infrastructure LLC.

Further the affiant sayeth naught.
