Commission Staff's First Set of Data Requests
Dated December 3, 2021

DATA REQUEST

KPSC 1_3 Refer to the Application, paragraph 18. Provide the year to date operation and maintenance major storm expense, excluding those expenses which Kentucky Power has requested or received regulatory asset treatment.

RESPONSE

Through November 2021, Kentucky Power had three severe February 2021 “Major Event Day” storms (as described in the Company's application in Case No. 2021-00129) and the March 1, 2021 “Major Flood Event” storm (as described in the Company's Application in this case).

Excluding those expenses which Kentucky Power has requested or received regulatory asset treatment, November 2021 year-to-date operation and maintenance expense recorded in FERC Account 593 and associated with these major storm work orders, total \$5,124,249.71. This amount is composed of (1) \$1,029,788.89 of O&M major storm related expenses included in Kentucky Power’s base rates (Application, paragraph 18.) and (2) \$4,094,461.18 of other O&M major storm related expenses.
