Re: Purchased Gas Adjustment Case No. 2021 – 00403 AMENDED FILING

Dear Ms. Bridwell:

On October 29, 2021 Columbia Gas of Kentucky, Inc., (“Columbia”) filed its quarterly Gas Cost Adjustment (“GCA”). Columbia has discovered an error in the commodity cost calculation in its original filing and submits the attached amendments to correct its filing and substitute for those previously filed. In accordance with 807 KAR 5:001, Section 8, and the Commission’s Order of July 22, 2021 in Case No. 2020-00085, I certify that the electronically filed documents are true and, that there are currently no parties in this proceeding that the Commission has excused from participation by electronic means.

In the amended filing, Columbia proposes to increase its current rates to tariff sales customers by \$1.8269 per Mcf, instead of \$3.6105 per Mcf, effective with its December 2021 billing cycle on November 29, 2021 from \$5.4029 per Mcf to \$7.2298 per Mcf. The increase is composed of a increase of \$1.6180 per Mcf in the Average Commodity Cost of Gas, a decrease of \$0.4844 per Mcf in the Average Demand Cost of Gas, an increase of \$0.0499 per Mcf in the Balancing Adjustment, and an increase of \$0.6434 in the Actual Cost Adjustment. As our offices are working remotely due to COVID-19, please contact Judy Cooper at [jmcoop@nisource.com](mailto:jmcoop@nisource.com) if there are any questions.

Sincerely,

/s/ Joseph M. Clark  
Assistant General Counsel
