Re: Case No. 2021-00406
Western Fleming Water District Responses to Commission Staff's First Request for
Information and Request for Extension to Provide Remainder of Responses

Dear Ms. Bridwell:

Western Fleming Water District has received the Commission Staff's First Request for Information and has been working diligently to comply with the request by the stated deadline of December 20, 2021. However, we have recently experienced turnover of the Office Manager position and have been unable to gather and review the data in time to fulfill the requirements of the request. We anticipate that we will need an additional 31 days to submit the remainder of the responses.

Enclosed are responses to Questions #11, #19, #20, #22, #23, and #24.

May we be permitted an extension until January 20, 2022 to fully comply with the First Request for Information?

Please do not hesitate to contact me if you have any questions.

Sincerely,

Vernon Barton
Chairman
