**MOTION FOR IN PERSON AND VIRTUAL HEARING PARTICIPATION**

Comes now Blue Moon Energy LLC, by counsel, and respectfully moves the Kentucky State Board on Electric Generation and Transmission Siting (“Siting Board”) to allow a hybrid form of participation, both virtual and in-person, for Blue Moon Energy witnesses participating in the June 24, 2022, hearing. Blue Moon Energy is still finalizing its list of witnesses who will appear in the hearing, but requests that Scott Dawson, Karol Kamasinski and Fletcher Mangum be allowed to participate virtually. The remaining witnesses for Blue Moon and all counsel shall participate in person. The virtual attendance of the identified witnesses will not prejudice the Siting Board and no other parties have moved for or been granted intervenor status. The witnesses identified here are equipped with the necessary technology to participate remotely.

Dated this 15<sup>th</sup> day of June, 2022.

Respectfully submitted,

**FROST BROWN TODD LLC**
