RE: Case No. 2021-00419
Garrison-Quincy-Ky-O-Heights Water District

Dear Ms. Bridwell:

Following an informal conference with PSC staff on December 8, 2022, Garrison Water District was made aware of some filing deficiencies regarding our water loss reports. Please accept the amended water loss reports for January 2022 through October 2022.

In accordance with the findings of the conference and the Order in the referenced case dated November 24, 2021, Water Loss Surcharge, enclosed is the District's copies of the required documents that has been uploaded to the Public Service Commission's Electronic Filing System.

Sincerely,

Trent Underwood, Manager
