PSC CASE NO. 2021-00429
JOINT SUPPLEMENTAL REQUEST RESPONSE

AG AND NUCOR JOINT SUPPLEMENTAL DATA REQUEST DATED 1/5/2022
REQUEST 1

RESPONSIBLE PARTY: Ann Bridges

Request 1. Refer to the Joint Settlement Agreement and Transfer of Service Territories Agreement Pursuant to KRS 278.016(6) entered into by EKPC, Nolin RECC, and Kentucky Utilities Company on December 16, 2021 (“KU Settlement Agreement”):

Request 1a. How much will KU pay to EKPC and/or Nolin RECC pursuant to Paragraph 2 of the KU Settlement Agreement (Further Consideration in Exchange for Transfer of Service Territory)?

Response 1a. The amount that Kentucky Utilities (“KU”) agreed to pay Nolin RECC pursuant to paragraph 2 of the settlement agreement, filed in Case No. 2021-00462, is subject to a motion for confidential treatment. Therefore, this amount cannot be disclosed. As East Kentucky Power Cooperative, Inc. (“EKPC”) is a generation and transmission cooperative and does not have a defined service territory, KU did not agree to make any payments to EKPC pursuant to paragraph 2.

Request 1b. Will the payments made by KU to EKPC be included in EKPC's Earnings Mechanism Tariff for ultimate flow-through to customers? If yes, please provide an estimate of the customer refund by rate schedule. If no, please explain why not.

Response 1b. Please see the response to Request 1a. Since EKPC is receiving no payments from KU pursuant to paragraph 2 of the settlement agreement, there is no effect on the earnings mechanism tariff.

Request 1c. How will the payments made by KU be divided between EKPC and Nolin RECC?

Response 1c. Please see the responses to Request 1a and 1b.
