**NOTICE OF REFUND STATUS**

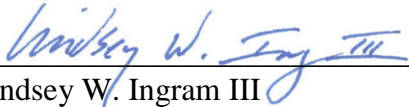

In accordance with the Commission’s July 6, 2022 Order in this matter, including Ordering Paragraph 2 of that Order, on August 30, 2022, Kentucky American Water (“KAW”) notified the Commission that it implemented the rates set forth in Commission’s Staff’s April 25, 2022 Report for service rendered on and after August 28, 2022. The Commission’s September 2, 2022 Order approved rates that were lower than the rates in Commission’s Staff’s April 25, 2022 Report, and, therefore, Ordering Paragraph 12 of the Commission’s September 2, 2022 Order directed KAW to inform the Commission how it intends to determine the refund amounts and to whom refunds are due.

KAW hereby reports that no refunds are due. Given the short amount of time between August 28, 2022 and the Commission’s September 2, 2022 Order, KAW had not yet billed any wastewater customers using the rates in Commission Staff’s April 25, 2022 Report when the September 2, 2022 Order was issued. Upon receipt of the Commission’s September 2, 2022 Order, KAW took steps to ensure that no bills would be generated using anything other than the rates in the September 2, 2022 Order. Thus, no billings were made at the higher rates and therefore no refunds are due. KAW has been able to use the rates in the Commission’s September 2, 2022 Order for service rendered on and after August 28, 2022.

Date: September 20, 2022
