Re: Delta Natural Gas Company, Inc./Peoples Gas KY LLC  
Case No. 2021-00450

Dear Ms. Bridwell:

Enclosed for filing on behalf of Delta Natural Gas Company, Inc./Peoples Gas KY LLC (Peoples KY) is the Gas Cost Recovery (GCR) filing for the calendar quarter ended October 31, 2021, for rates proposed to become effective February 1, 2022. Also included are Fourth Revised Sheet No. 6.1 and Fourth Revised Sheet No. 14.2, to Delta Natural Gas Company, Inc. PSC Kentucky No. 12 Tariff, which are being filed pursuant to the Purchased Gas Adjustment Provision of that Tariff.

This filing proposes a GCR rate of \$5.5120 per Mcf of sales, a decrease of \$1.6119 per Mcf from the current PGA, which was approved in Case No. 2021-00367 effective November 1, 2021.

For the purposes of forecasting its Expected Gas Cost (EGC), Delta/Peoples KY is assuming purchases based on the Appalachian Index price of gas for Columbia Transmission. This price is developed by averaging the estimated cost of gas over 3 months beginning November 2021.

Schedule 1 of the filing is a summary of the proposed PGA rate components. Schedule 2 is a summary of the expected gas costs based on purchases for the 12 months ended October 2021. Schedule 3 is a listing by month of Delta/Peoples KY's sales to its customers for the 12 months ended October 2021. Schedules 4 and 5 are summaries of ACA components.

Sincerely,

John B. Brown
