RE: Case No. 2021-00454  
Barkley Lake Water District  
Alternative Rate Filing Adjustment

Dear Ms. Bridwell:

The Barkley Lake Water District (Barkley Lake) submits the following comments concerning the Commission Staff Report dated April 28, 2022:

1. Although Barkley Lake does not agree with the Staff's removal of labor expenses from certain nonrecurring charges, Barkley Lake does not wish to contest that adjustment in this case. The district's failure to object to Staff's findings and recommendations concerning the reduction of certain Non-Recurring Charges shall not be construed as a waiver of Barkley Lake's right to contest a similar finding or recommendation in a future rate proceeding. Barkley Lake expressly reserves its right to do so.
2. Barkley Lake concurs with the findings presented in the Staff Report regarding water rates.
3. Barkley Lake waives its right to request an informal conference or hearing in this case.

Sincerely,

A handwritten signature in black ink that reads "John Herring".
