RE: Case No. 2021-00455
Nicholas County Water District
Alternative Rate Filing Adjustment

Dear Ms. Bridwell:

The Nicholas County Water District (Nicholas County) submits the following comments concerning the Commission Staff Report dated June 13, 2022:

1. Although Nicholas County does not agree with the Staff's removal of labor expenses from certain nonrecurring charges, Nicholas County does not wish to contest that adjustment in this case. The district's failure to object to Staff's findings and recommendations concerning the reduction of certain Non-Recurring Charges shall not be construed as a waiver of Nicholas County's right to contest a similar finding or recommendation in a future rate proceeding. Nicholas County expressly reserves its right to do so.
2. Nicholas County concurs with the findings presented in the Staff Report regarding water rates.
3. Nicholas County waives its right to request an informal conference or hearing in this case.

Sincerely,

Monica Pryor
Office Manager
