All-Weather-Floor Liners and Door Sill Protectors All-Weather-Floor Liners, Door Sill Protectors.	\$248.00
Bed-Lighting Kit Why-go fumbling in the dark when you don't have to? The bed lighting kit will effectively light up your truck bed so you can actually see what you're loading and unloading. High-performance LED truck bed lighting helps improve cargo management at night or in dark locations. Two separate light assemblies each including six LEDs—on the inside bed walls and near the rear of the cargo area—provide excellent light distribution while loading and unloading. Precise placement angles illuminate toward important cargo locations. Constructed of high-quality, durable materials.	\$149.00
Bed-Mat Minimize-damage to your truck bed and cargo with this heavyweight bed mat. It's made from a high-strength, cord-enhanced rubber compound that can withstand abuse without fading, rusting, cracking or breaking. Pebble finish minimizes shifting of cargo. Raised, angled ribs ease cargo loading/unloading. Knobby underside promotes aeration and drainage that keeps the truck bed dry to help prevent rust and mildew.	\$130.00
Door-Edge Guards Help-prevent door edge dings and chipped paint with this protective finishing touch. Thermoplastic-coated stainless steel is precisely matched to the exterior finish. Compression-fitted to door edge contours. Blend seamlessly to complement exterior styling.	\$140.00
5-In.-Oval Tube Steps - Black Whether-or not your truck is lifted, you might need a step up. Tube steps ease entry into the cab while complementing Tacoma's good looks. 5-in. oval tube steps provide dual-molded and skid-resistant heavy-duty step pads on both sides of the vehicle to help channel water off the step. Durable, lightweight aluminum construction is chip and rust resistant; choice of chrome-plated or black powder-coat finish. Meets all Toyota-required load, cyclic and durability testing.	\$499.00
