RE: Bluegrass Gas Sales, Inc. (BGS)
Case No. 2021-00483 Filing Deficiencies dated June 29, 2022
Response Letter

Dear Ms. Birdwell:

We have reviewed your letter referenced above (attached) and have completed the following items as related to the Statutes noted below:

1. 807 KAR 5:076 Section 4 (1) (b) – We have attached the loan agreement / documentation for the following:
 - a. Community Trust Bank Loan – attached are the original loan documents that were signed on the origination dates.
 - b. Partner Loan – There are no formal documents signed for the loan as the funds were used for working capital at the time of deposit. Management originally planned that the company would pay this back as cash flow allowed. Due to COVID and current economic conditions, management has now decided to reclassify the payment as Additional Paid in Capital and will not require the funds to be repaid. This reclassification adjustment will be recorded by the upcoming filing dates as required by the KY PSC Annual Report Filing.
2. 807 KAR 5:076 Section 4 (1) (c) - The amortization schedules are attached with this document. Please note, the amortizations do not match the payments schedule exactly as there are fees and different APR calculations each bank uses in their models. The different amortizations included are not materially different to the bank payments calculated.
3. 807 KAR 5:076 Section 5 (4) – The Notice of Proposed Rate Adjustment is included to meet regulatory requirements as requested. The amount of change in rates in dollar amounts and average usage & effect on average bill is now included and has been distributed.

Let me know if you have any other questions on this matter.

Respectfully,

Daniel Sullivan

ADDITIONAL TERMS OF THIS CONTRACT AND SECURITY AGREEMENT

GENERAL TERMS: You have been given the opportunity to purchase the Vehicle and described services for the Cash Price or the Total Sale Price. The Total Sale Price is the total price of the Vehicle and any services if you buy them over time. You agreed to purchase the items on time. The Total Sale Price shown in the TRUTH IN LENDING DISCLOSURES assumes that all payments will be made as scheduled. The actual amount you will pay may be more or less depending on your payment record.

We do not intend to charge or collect, and you do not agree to pay, any finance charge or fee, that is more than the maximum amount permitted for this sale by state or federal law. If you pay a finance charge or fee that is contrary to this provision, we will, instead, apply it first to reduce the principal balance, and when the principal has been paid in full, return it to you.

You understand and agree that we (or our affiliate) will earn commissions or fees on any insurance products, and may earn such fees on other services that you buy through us or our affiliate.

If any section or provision of this Contract is not enforceable, the other terms will remain part of this Contract.

If Seller assigns this Contract, you agree (i) to pay a processing, assignment, or similar fee charged by the assignee which is reflected in the Itemization of Amount Financed, and (ii) that the assignee may add the fee to the principal amount of the obligation.

RETURNED CHECK FEE/DISHONORED ITEM FEE: If any payment you make is returned unpaid by the paying institution, you will be charged a fee of \$20.00.

NOTE RATE INCREASE: This note's interest rate will be increased by 2% per annum over the stated rate if any payment is not received within 50 days of its due date. The interest rate will not go above that allowed by law. The interest rate increase will result in an outstanding principal balance at the time of maturity of this contract.

PREPAYMENT: You may prepay this Contract in full or in part at any time. Any partial prepayment will not excuse any later scheduled payments until you pay in full.

A refund of any prepaid, unearned insurance premiums may be obtained from us or from the insurance company named in your policy or certificate of insurance.

OWNERSHIP AND DUTIES TOWARD PROPERTY: By giving us a security interest in the Property, you represent and agree to the following:

- A. You will defend our interests in the Property against claims made by anyone else. You will do whatever is necessary to keep our claim to the Property ahead of the claim of anyone else.
B. The security interest you are giving us in the Property comes ahead of the claim of any other of your general or secured creditors. You agree to sign any additional documents or provide us with any additional information we may require to keep our claim to the Property ahead of the claim of anyone else. You will not do anything to change our interest in the Property.
C. You will keep the Property in your possession in good condition, and repair. You will use the Property for its intended and lawful purposes. Unless otherwise agreed in writing, the Property will be located at your address listed on page 1 of this Contract.
D. You will not attempt to sell the Property (unless it is property identified inventory) or otherwise transfer any rights in the Property to anyone else, without our prior written consent.
E. You will pay all taxes and assessments on the Property as they become due.
F. You will notify us of any loss or damage to the Property. You will provide us reasonable access to the Property for the purpose of inspection. Our entry and inspection must be accomplished lawfully, and without breaching the peace.

DEFAULT: You will be in default on this Contract if any one of the following occurs (except as prohibited by law):

- A. You fail to perform any obligation that you have undertaken in this Contract.
B. We, in good faith, believe that you cannot, or will not, pay or perform the obligations you have agreed to in this Contract.
If you default, you agree to pay our costs for collecting amounts owing, including, without limitation, court costs and fees for repossession, repair, storage and sale of the Property securing this Contract. You also agree to pay our reasonable attorneys' fees after default and referral to an attorney who is not our salaried employee.
If an event of default occurs as to any one of you, we may exercise our remedies against any or all of you.

REMEDIES: If you are in default on this Contract, we have all of the remedies provided by law and this Contract:

- A. We may require you to immediately pay us, subject to any refund required by law, the remaining unpaid balance of the amount financed, finance charges and all other agreed charges.
B. We may pay taxes, assessments, or other liens or make repairs to the Property if you have not done so. We are not required to do so. Any amount we pay will be added to the amount you owe us and will be due immediately. This amount will earn finance charges from the date paid at the post-maturity rate described in the PROMISE TO PAY AND PAYMENT TERMS section until paid in full.
C. We may require you to make the Property available to us at a place we designate that is reasonably convenient to you and us.
D. We may immediately take possession of the Property by legal process or self-help, but in doing so we may not breach the peace or unlawfully enter onto your premises. We may then sell the Property and apply what we receive as provided by law to our reasonable expenses and then toward your obligations.
E. Except when prohibited by law, we may sue you for additional

amounts if the proceeds of a sale do not pay all of the amounts you owe us.

By choosing any one or more of these remedies, we do not waive our right to later use another remedy. By deciding not to use any remedy, we do not give up our right to consider the event a default if it happens again.

You agree that if any notice is required to be given to you of an intended sale or transfer of the Property, notice is reasonable if mailed to your last known address, as reflected in our records, at least 10 days before the date of the intended sale or transfer (or such other period of time as is required by law).

You agree that, subject to your right to recover such property, we may take possession of personal property left in or on the Property securing this Contract and taken into possession as provided above.

INSURANCE: You agree to buy property insurance on the Property protecting against loss and physical damage and subject to a maximum deductible amount indicated in the PROPERTY INSURANCE section, or as we will otherwise require. You will name us as loss payee on any such policy. In the event of loss or damage to the Property, we may require additional security or assurances of payment before we allow insurance proceeds to be used to repair or replace the Property. You agree that if the insurance proceeds do not cover the amounts you still owe us, you will pay the difference. You may purchase the insurance through any insurance company reasonably acceptable to us. You will keep the insurance in full force and effect until this Contract is paid in full.

If you fail to obtain or maintain this insurance, or name us as a loss payee, we may obtain insurance to protect our interest in the Property. This insurance may include coverages not required of you. This insurance may be written by a company other than one you would choose. It may be written at a rate higher than a rate you could obtain if you purchased the property insurance required by this Contract. We will add the premium for this insurance to the amount you owe us. Any amount we pay will be due immediately. This amount will earn finance charges from the date paid at the post-maturity rate described in the PROMISE TO PAY AND PAYMENT TERMS section until paid in full.

OBLIGATIONS INDEPENDENT: Each person who signs this Contract agrees to pay this Contract according to its terms. This means the following:

- A. You must pay this Contract even if someone else has also signed it.
B. We may release any co-buyer or guarantor and you will still be obligated to pay this Contract.
C. We may release any security and you will still be obligated to pay this Contract.
D. If we give up any of our rights, it will not affect your duty to pay this Contract.
E. If we extend new credit or renew this Contract, it will not affect your duty to pay this Contract.

WARRANTY: Warranty information is provided to you separately.

WAIVER: To the extent permitted by law, you agree to give up your rights to require us to do certain things. We are not required to: (1) demand payment of amounts due; (2) give notice that amounts due have not been paid, or have not been paid in the appropriate amount, time or manner; or (3) give notice that we intend to make, or are making, this Contract immediately due.

THIRD PARTY AGREEMENT

By signing below you agree to give us a security interest in the Property described in the SALE section. You also agree to the terms of this Contract, including the WAIVER section above, except that you will not be liable for the payments it requires. Your interest in the Property may be used to satisfy the Buyer's obligation. You agree that we may renew, extend, change this Contract, or release any party or property without releasing you from this Contract. We may take these steps without notice or demand upon you.

You acknowledge receipt of a completed copy of this Contract.

FEDERAL NOTICES

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT If applicable to your credit transaction, to help the government fight the funding of terrorism and money laundering activities, Federal law requires financial institutions to obtain, verify, and record information that identifies each person who opens an account. What this means for you: When you open an account, you will be asked for your name, address, date of birth, and other information to identify you. You may also be asked to see your driver's license or other identifying documents.

STATE NOTICES

California Residents: An applicant, if married, may apply for a separate account.

Maine and Tennessee Residents: You must have physical damage insurance covering loss or damage to the vehicle for the term of the contract. For a lease, you must also have the liability insurance as described in the lease. You may purchase required insurance through any insurance agent or broker and from any insurance company that is reasonably acceptable to us. You are not required to deal with any of our affiliates when choosing an agent, broker or insurer. Your choice of a particular insurance agent, broker or insurer will not affect our credit decision, so long as the insurance provides adequate coverage with an insurer who meets our reasonable requirements.

New Hampshire Residents: If you are applying for a balloon payment contract, you are entitled, if you ask, to receive a written estimate of the monthly payment amount for refinancing the balloon payment in accord with the creditor's existing refinance programs. You would be entitled to receive the estimate before you enter into a balloon payment contract. A balloon contract is an installment sales contract with a final scheduled payment that is at least twice the amount of one of the earlier scheduled equal periodic installment payments.

New York Residents: In connection with your application for credit, a consumer report may be obtained from a consumer reporting agency (credit bureau). If credit is extended, the party or parties extending credit or holding such credit may order additional consumer reports in connection with any update, renewal or extension of the credit. If you ask, you will be told whether a consumer report was requested and, if so, the name and address of any consumer reporting agency (credit bureau) from which such credit report was obtained.

Ohio Residents: Ohio laws against discrimination require that all creditors make credit equally available to all creditworthy customers and that credit reporting agencies maintain separate credit histories on each individual upon request. The Ohio Civil Rights Commission administers compliance with this law.

Rhode Island Residents: Consumer reports may be requested in connection with this application. Buyer has the right of free choice in selecting an insurer to provide insurance required in connection with this transaction subject to our reasonable approval in accordance with applicable law.

Vermont Residents: You authorize us and any financial institution with which this credit application is shared, and each of their respective employees or agents, to obtain and verify information about you (including one or more credit reports, information about your employment and banking and credit relationships) that they may deem necessary or appropriate in evaluating your credit application. If your credit application is approved and credit is granted, you also authorize the parties granting credit or holding your account, and their respective employees and agents, to obtain additional credit reports and other information about you in connection with reviewing the account, increasing the available credit on the account (if applicable), taking collection on the account, or for any other legitimate purpose.

Married Wisconsin Residents: No provision of any marital property agreement, any unilateral statement under Wis. Stat § 766.59 or any court decree under § 766.70 applied to marital property adversely affects our interest unless you furnish a copy of the agreement, statement, or court decree or we have actual knowledge of such adverse provision before credit is granted. If you are making this credit application individually and not jointly with your spouse, complete Section A about yourself and Section B about your non-applicant spouse. Your non-applicant spouse should not sign the credit application if you are applying for individual credit.
