Motion to Intervene

Comes, Sandra Freeburger, a licensed practicing attorney admitted to practice in the courts of Kentucky, on behalf of Robert G. Harrison and Shirley Harrison, husband and wife, (herein the “Harrisons”), and moves the Commission to allow the intervention of her clients in this case.

Please consider the following information relevant to the proposed parties:

1. The movants’ full name and mailing address:

Robert G. Harrison and Shirley Harrison
9008 Tillman Bethel Rd
Henderson, KY 42420

2. Interest of movant in this case:

The Harrisons have an interest in this case because they own real property which will be transected by the requested transmission line.

3. Effect of intervention and likely presentation of issues or facts that will assist the commission in fully considering the matter without unduly complicating or disrupting the proceedings:

Given the unique nature of this parcel of real property, information which the movants can supply will assist the Commission in considering the application which is before it.

The movant is prepared to comply with the existing scheduling order which was entered on February 21, 2022, so there will be no undue complication or disruption to these proceedings, if this motion to intervene is granted.

The filing of this motion is timely. Unless this intervention is granted the interest of the movants, arising out of their ownership of affected real property, will not be otherwise adequately represented.

The Commission has jurisdiction over this matter, pursuant to K.R.S. 278.040(2), since it relates to the service of a utility, namely Big Rivers Electric Corporation.

For the reasons set forth above, the Commission is moved to grant this motion to intervene and to provide any further notifications to the attorney for the movant at her address shown below.

Respectfully submitted,
