

**COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION**

IN THE MATTER OF:

ELECTRONIC PURCHASED WATER)	
ADJUSTMENT FILING OF HENDERSON)	CASE NO. 2022-00013
COUNTY WATER DISTRICT)	

NOTICE

Applicant, **HENDERSON COUNTY WATER DISTRICT** (“HCWD”), serves notice that it intends to place into effect the rates approved in the Commission’s order of February 10, 2022. HCWD did not have the increase in the bills that were sent for January 2022, the first billing month after the effective date of the November 24, 2021, order. HCWD intends to place a line item on the March 2022 bills for “January catch-up” to capture the incremental amount that was not billed.¹ The gross amount of the incremental increase for HCWD is approximately \$18,500.00. The effect of this one-time catch up item will be a few dollars on the average bill. The February 2022 bill will include the new rate. By way of information, the proposed purchased water adjustment in Case No. 2022-00034 calls for a rate decrease, if approved, to be effective on the first bills that go out in April 2022.

¹The billing programmer will need the additional time to reprogram the billing system for the one time charge.
