Attn: Linda Bridwell, Executive Director
211 Sower Boulevard
Frankfort, Kentucky 40602

Dear Ms. Bridwell:

Enclosed for electronic filing is Duke Energy Kentucky's ("Duke") corrected Gas Cost Adjustment Transition Rider (Rider GCAT) tariff sheet (Sheet No. 77) for the month commencing with the March 2022 revenue month in accordance with KPSC order dated January 20, 2022 in Case No. 2022-00023. The Company will retain the original filing in paper medium as the requirement to file it with the Commission was permanently granted a deviation in Case No. 2020-00085.

Upon the Company's review, it was discovered that Sheet No. 77 did not reflect the GCAT that was calculated in the Purchase Gas Adjustment (PGA). The tariff sheet filed on January 28, 2022 has an inadvertent typographical error. The GCAT rate contains an extra "0" after the decimal place. The tariff sheet should have read \$0.0548 per 100 cubic feet. As this was solely a clerical error on Sheet No. 77, there are no changes to the gas cost calculations.

The above described tariff is effective with the final meter readings of District 1, March 2022 revenue month (i.e., final meter readings on and after March 3, 2022).

Very truly yours,

/s/ Dana R. Patten
