This matter arises upon Motion of the Knott County Water & Sewer District and Phillip Dion Slone; Don Gibson; Freddie Williams; Ricky McDaniel; and Jeremy Goodson (collectively the District and its Board) made pursuant to KRS 74.020(6) and (9), for an Order authorizing a six month extension of time until June 30, 2022 for each Board Commissioner to complete the required training necessary to qualify for the maximum annual salary of \$6,000 for the calendar year ending December 31, 2021, and to recognize Rural Water training set to occur on February 16, 2022, as a recognized training opportunity.

The Commission **FINDS** that good cause was presented as to why the Board Commissioners could not complete training during 2021 and are hereby and each of them **GRANTED** the six month extension provided by KRS 74.020(9).

**IT IS HEREBY ORDERED:**

- 2) The Applicants and each of them shall complete approved training by June 30, 2022, for the calendar year 2021;
- 3) That should the Applicants complete said training, then they shall receive the enhanced pay allowed by KRS 74.020(6).
- 4) This case is now closed and removed from Commission's docket.
