RE: Case No. 2022-00034
Henderson County Water District
Request for Extension to Submit Alternative Rate Filing Application

Dear Ms. Bridwell:

Henderson County Water District respectfully requests a sixty-day extension to submit its Alternative Rate Filing application.

In the referenced case dated March 16, 2022, Kentucky Public Service Commission ordered *"Henderson District shall file an application for a general rate adjustment pursuant to 807 KAR 5:001, Section 16, or an application for an alternative rate adjustment pursuant to 807 KAR 5:076, or in the alternative, file a formal motion with a detailed analysis of its rates and revenues and a statement explaining the reasons why no modifications are necessary, no later than February 10, 2023."*

Since that time, Henderson District has engaged Kentucky Rural Water Association to prepare the necessary rate study to support an Application. However, Henderson District has lost three employees and has not yet filled those positions, resulting in the remaining staff primarily focused on continuing day-to-day operations.

Consequently, we will not be able to complete the Application and obtain authorization of our board of directors by the deadline. However, I am confident that this can be accomplished by April 11, 2023 and respectfully request this extension.

Sincerely,

Pete Conrad
Superintendent
