We are working under the attached Continuing Service Agreement. We will bill these services hourly.

I will have the revised RFQ to David this week for his review.

Thanks

Jeff

Jeff,

Attached is the Letter / Request we received from the Public Service Commission last week.

South Woodford needs to make a response to the PSC by April 11, 2025.

The part / information that we most need from you is on page 2 - # 1.

In order to confirm that South Woodford has a contract with HMB to prepare an RFP, please supply us with a copy of the signed contract between South Woodford Water District & HMB. This contract of course will need to have the cost to write this RFP.

Thanks for your prompt attention in this matter.

Dale
