**Kentucky Power Company's Motion
For Extension Of Time To File Its Response To KPSC 3-2**

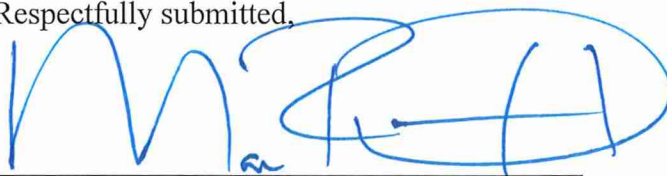

Kentucky Power Company moves the Public Service Commission of Kentucky for an extension of time through and including June 22, 2022 in which to file its response to KPSC 3-2. The Company has worked diligently to research and prepare the response since the data request was propounded on June 7, 2022. The Company requires a three business day extension to complete and confirm its substantive response to the data request.

The request is not made for purposes of delay. The Company does not believe the brief extension will prejudice the Commission or the sole intervenor, Kentucky Industrial Utility Customers, Inc., in this matter.

WHEREFORE, Kentucky Power Company respectfully requests the Commission to enter an Order:

1. Granting the Company an extension through and including June 22, 2022 in which to file its response to KPSC 3-2; and
2. Granting Kentucky Power all further relief to which it may be entitled.

Respectfully submitted,
