Re: *In the Matter of: An Electronic Examination of the Application of the Fuel Adjustment Clause of Big Rivers Electric Corporation from May 1, 2021 through October 31, 2021 - Case No. 2022-00041*

Dear Ms. Bridwell:

On April 14, 2022, Big Rivers Electric Corporation ("*Big Rivers*") filed its response to the Commission Staff's Request for Information in the Appendix to the Commission's order dated March 31, 2022. Subsequent to this filing, Big Rivers discovered an error in its response to Item 5 and omission in its response to Item 21.

Big Rivers is filing an amended response to Item 5, which correctly states the number of contracts awarded and corresponds to the table in the original response to Item 5. It is also filing an amended response to Item 21, which lists an additional contract, an amendment to a contract with Foresight Coal Sales, LLC that had been inadvertently omitted from Big Rivers' original response and also more completely describes severance tax rates levied and cost excluding any severance tax.

Therefore, Big Rivers is electronically filing the following materials:

1. This letter, which constitutes the Read1st file required by 807 KAR 5:001 Section 8(5);
2. The public version of Big Rivers' Amended Responses to Items 5 and 21 of the Commission Staff's Request for Information in the Appendix to the Commission's order dated March 31, 2022; and

3. Big Rivers' motion for confidential treatment of confidential information in the amended responses (the "*Confidential Information*").

Pursuant to the Commission's Orders in Case No. 2020-00085, Big Rivers will file the Confidential Information with the Commission via email to [PSCED@ky.gov](mailto:PSCED@ky.gov).

The Commission has excused no parties to this proceeding from its electronic filing procedures.

Please feel free to contact me should you have any questions regarding this filing.

Sincerely,
