**BEFORE THE PUBLIC SERVICE COMMISSION**

**In the Matter of:**

<b>ELECTRONIC APPLICATION OF BIG</b>	)	
<b>SANDY WATER DISTRICT FOR AN</b>	)	<b>CASE NO. 2022-00044</b>
<b>ADJUSTMENT OF ITS WATER RATES</b>	)	
<b>PURSUANT TO 807 KAR 5:076</b>	)	

**MOTION FOR DEVIATION**

Pursuant to 807 KAR 5:076, Section 17, Big Sandy Water District (“Big Sandy District” or “Movant”) moves for a deviation from 807 KAR 5:076, Section 4(1) and requests that the Public Service Commission accept the tendered application.

In support of its Motion, Big Sandy District states:

1. Movant is filing an application for rate adjustment pursuant to the provisions of 807 KAR 5:076. 807 KAR 5:076, Section 4, requires that the submission of a completed ARF Form-1 as part of the application.

2. In lieu of using the pre-printed ARF Form-1, Movant has tendered an application containing the same information as a completed ARF Form-1, as well as additional information addressing the unique aspects of Movant’s operations and its request for a surcharge to support its water loss detection and control program. The same execution formalities were observed with the tendered application that are required of an ARF Form-1. The tendered application was made under oath and signed by an officer who is duly designated to execute the application and who has knowledge of the matters established in the application. It is also signed by Big Sandy District’s legal counsel.

3. The lack of a completed pre-printed ARF Form-1 will not restrict, inhibit or impede the Public Service Commission’s review of the requested rate adjustment or surcharge.

WHEREFORE, Big Sandy District requests that, to the extent that a deviation is required, the Public Service Commission permit Big Sandy District to deviate from 807 KAR 5:076, Section 4, and permit the use of an application that does not contain a pre-printed ARF Form-1 and accept the tendered application for filing.
