**RE: KY PSC Case Nos. 2022-00049**

Dear Ms. Bridwell:

Please find attached and accept for filing Columbia Gas of Kentucky's Supplemental Proof of Publication in the above-referenced matter. Proof of publication for two newspapers of general circulation in Columbia's service territory were not included in Columbia's March 13, 2023 filing in the above-referenced case. As indicated in Columbia's March 13, 2023 Cover Letter and Motion for Deviation, one publication, the Georgetown News-Graphic published customer notice of Columbia's Application on Friday March 10, 2023. Another newspaper, the Greenup Beacon, published customer notice on Tuesday March 14, 2023. Proof of both publications are attached to this Supplemental Proof of Publication.

Further, as indicated in Columbia's March 13, 2023 Cover Letter and Motion for Deviation, the affidavit attesting to the mailing of customer notice to 173 customers contained an error. Because of this error, Columbia requested, via the March 13, 2023 Motion for Deviation, that the Commission permit Columbia to file its proof of notice via mail when this employee becomes available to sign a corrected affidavit. A corrected affidavit has been executed and is attached to this supplemental filing.

In accordance with the Commission's Order on July 22, 2021 in Case No. 2020-00085, I certify that this document and the accompanying attachment has been transmitted to the Commission on the above-listed date and that there are
