RE: KY PSC Case Nos. 2022-00049 READ FIRST

Dear Ms. Bridwell:

Please find attached and accept for filing Columbia Gas of Kentucky's Proof of Customer Notice in the above-referenced matter. Consistent with Columbia's representations in its April 24, 2023 Motion for a Deviation, publication of corrected customer notice in newspapers of general circulation in Columbia's service area was completed by April 27, 2023. Columbia's contractor, the Kentucky Press Association, provided Columbia with proof of this publication on the date of this filing, May 3, 2023. Columbia previously filed its proof of customer notice provided to 173 customers via mail as Attachment A to the previously-mentioned motion. For ease of review, Columbia is providing the affidavit attesting to this mail notice again in this filing.

In accordance with the Commission's Order on July 22, 2021 in Case No. 2020-00085, I certify that this document and the accompanying attachment has been transmitted to the Commission on the above-listed date and that there are currently no parties in this proceeding that the Commission has excused from participation by electronic means.

Sincerely,

/s/ John R. Ryan
